ORAL ENGLISH WEDNESDAY 10:05 CLASS PhD

FALL 2016

When entering in oral grades 1-5, add the code letter for each topic:

H= Oral Homework; V= Volunteer Participation; S= Story share, etc. You can also add the date to the top of each.

1st Oral Homework is entered into Gradekeeper and highlighted yellow; 2nd Oral Homework is highlighted in blue and 3rd in orange, so that I knew who needed a turn next. They were checked off when entered in Gradekeeper.

I also used this same sheet to grade their final oral exams; a column for Pronunciation, Presentation, Grammar and Timing.
