

## **European Studies Student Association**

### **ESSA**

Our purpose is to promote learning and understanding of the cultural aspects of Europe, to promote European internships and study abroad, and to promote an understanding of global politics with a European lens.

We hold various activities throughout the fall and winter semesters, including brown bag lunches with major-affiliated professors and with European Studies graduates, and we aggregate information about opportunities for students with an interest in Europe and European Studies.

For more information, contact us at [europssa@gmail.com](mailto:europssa@gmail.com) or visit our

blog, <http://essabyu.blogspot.com/>.
