

European Studies Student Association

ESSA

Our purpose is to promote learning and understanding of the cultural aspects of Europe, to promote European internships and study abroad, and to promote an understanding of global politics with a European lens.

We hold various activities throughout the fall and winter semesters, including brown bag lunches with major-affiliated professors and with European Studies graduates, and we aggregate information about opportunities for students with an interest in Europe and European Studies.

For more information, contact us at europssa@gmail.com or visit our

blog, <http://essabyu.blogspot.com/>.
