

Brigadoon

Brigadoon

Lads and lassies of all ages have fallen in love with Lerner & Loewe's beloved Scottish musical, as two American tourists stumble upon the enchanted village of Brigadoon—a place that disappears into the Highland mist and returns for one day every 100 years. When Tommy falls in love with Fiona, a girl from the quaint town, he must make a choice between the life he has always known and the possibility of true love that transcends time. A romantic fantasy with songs including "Waitin' for My Dearie," "I'll Go Home with Bonnie Jean," "Come to Me, Bend to Me," "Almost Like Being in Love," "There But for You Go I," and "The Heather on the Hill," along with Scottish dancing, kilts and bagpipes, this classic show is pure magic under the stars! Directed by Jerry Ellison. Music direction by Dana Cardon.
