

A teal stethoscope is positioned diagonally across the left side of the page, with its chest piece resting on a teal globe. The globe is mounted on a stand and shows a map of the world. The background is a solid teal color.

International Public Health FORUM

Thursday, 7 December
11:00 A.M.
238 HRCB
Brigham Young University

Students will present their research and cultural aspects of their international public health studies. Presentations will include Bolivia, Ghana, India, Jordan, and China.

This event is sponsored by the Department of Health Science, the Health Science Association, the David M. Kennedy Center for International Studies, and the Department of Community Health at Utah Valley State College.
