Come experience the best that Scandinavia has to offer! Copenhagen - with its vibrant and colorful café life, active lifestyle, food scene, its fusion of old and new, and unforgettable culture and history - will be ground zero for this Study Abroad. After settling into Copenhagen and experiencing what it has to offer, we’ll take an extended excursion to the “land of the midnight sun,” Norway. We’ll begin the excursion with a ferry from Copenhagen through the Oslo fjord to Oslo, take a train to Bergen and explore the natural beauty of the surrounding area, returning to modern Oslo to spend several days in the capital city. The new waterfront and the nearby historical and cultural sites will be our focus in Oslo. Whether your interest is family history, art, language, the casual café life of cosmopolitan Copenhagen or the natural beauty of Norway, don’t miss out on this singular opportunity to experience Scandinavia first hand. Come enjoy your summer in Denmark and Norway on Study Abroad.
