Hyundai Shipbuilding Division, the world’s number one shipbuilder, leads the global shipbuilding industry with a 15 percent share of the market. The Hyundai shipyard stretches over four kilometers along the coast of Mipo Bay in Ulsan, Korea. The Shipbuilding Division is capable of building all types of ships to meet various demands from its clients. It has ten large-scale dry docks with nine huge ‘Goliath Cranes’. Since the shipyard’s groundbreaking in 1972, HHI’s Shipbuilding Division has garnered many awards and set many records within the shipbuilding industry.
