What if you could study abroad and complete a part-time internship at the same time? Vienna is more than stunning art, world-class music, and beautiful narrow alleyways. It is also home to some of Europe's most important business, education, and diplomatic institutions. This combination study abroad/internship program lets you explore both sides of Vienna and experience the best of both worlds!

You do not have to speak German to participate in this program. The internships are tailored to the interests and abilities of the student. Past students have worked in schools, art museums, and institutions for music. Some have worked in local or international businesses, and others have worked with refugee organizations and NGOs. What are your goals? Let's see if Vienna can help you reach them.

You will be living with host families, learning German, studying history and culture, and gaining real-life job experience. In addition, we will take time off to enjoy the green Alpine valleys, the Baroque masterpieces of Salzburg, and the timeless beauty of Hallstatt. Then we will venture out beyond Austria's borders to visit Italy, the Czech Republic, and Germany. Vienna is a major European crossroad, and a thousand different adventures start in the heart of this city. Come explore with us in fall 2016, and let Vienna change your life.

"Vienna isn't just a city, it is music that you carry forever in your soul." —Sándor Márai
