THE FUTURE OF THE “ISLAMIC STATE”
IDEOLOGY, VIOLENCE, AND STATE-BUILDING

The Islamic State group governs millions of people across Iraq and Syria who rely upon it as their sole form of government. Many countries have now declared war on the Islamic State group in Iraq and Syria, asserting the urgent need to destroy the group. This panel discussion with three political scientists will look at the foundations and future of the Islamic State, as well as the impact of the ongoing fight against it.
