This program is open to all students with European citizenship who are interested in returning to Europe to complete an internship. Among other reasons for the applicant specifications regarding citizenship, those traveling in the Schengen Area on a US or other non-EU passport may only stay for 90 days, which is often not long enough to fulfill internship provider requirements. However, these same internships provide great opportunities for European students who hope to have an enriching work experience closer to home.

DATES
Variable.

HOUSING
Housing is solely the responsibility of each intern. For housing leads, students should consult their internship providers, previous interns from BYU, and online resources for short-term rentals.

COURSES
Course credit is not required. However, if interns choose to pursue credit from BYU, they may do so by filling out a registration form and completing the required preparation steps, listed below.

COST
Variable.

PREPARATION
Students seeking credit must complete a few steps, including (but not limited) to the following: taking a cultural preparation seminar, attending a security briefing, enrolling in HTH Worldwide insurance, and filling out an ITMS travel plan. Students are responsible for obtaining their own visas, if necessary.

FUNDING SOURCES
Regular BYU tuition scholarships, Pell Grants, and Federal Insured Student Loans may be applied to the costs of tuition. Students who submit the financial aid section of the ISP application, and who have a current FAFSA form on file at the Financial Aid Office (A-41 ASB), will be considered for an academic scholarship through ISP. Academic departments and
colleges may assist with scholarships and grants. Private grants and scholarships outside of BYU may also be used (http://kennedy.byu.edu/scholarships).

**APPLICATION PROCESS**

Unless otherwise instructed in the Internship Provider section, all students should first apply directly to the internship provider. If accepted, students are then required to apply for the Europe for Europeans internship program (kennedy.byu.edu/apply). The application requires a $35 fee. Early applications are encouraged. Students should indicate which internship provider they will be working with in the letter of intent section of the application.
