Down the Rabbit Hole
Inside the World of Intelligence

Learn about the intelligence community and the different kinds of intelligence (HUMINT, SIGINT, etc.), the agencies which work with it, and how to get an internship or a job with one of those agencies.

Major Shad K. Lloyd is an intelligence officer with the Defense Intelligence Agency in Washington, D.C. Lloyd was previously assigned to U.S. Central Command as a senior human intelligence advisor in Florida. During his military career, he has been in Afghanistan, Iraq, and Maryland in various capacities. He received an MA in strategic studies from the National Defense University, a BA in political science from Utah State University, and is fluent in several languages. Lloyd is a Bronze Star recipient.
