

DENMARK & ICELAND

STUDY ABROAD SUMMER 2018

Come experience the best that Scandinavia has to offer! We'll start in Iceland with its beautiful, austere landscapes, the capital Reykjavik, and tours to various locations and sites of interest around the Icelandic countryside. And not to mention its storied Viking past. Copenhagen - with its vibrant and colorful cafe life, active lifestyle, food scene, its fusion of old and new, and unforgettable culture and history --will be ground zero for this Study Abroad. After settling into Copenhagen and experiencing what it has to offer, we'll take a brief excursion to the "land of the midnight sun," Norway. The focus of the program will be on Nordic culture and history. A second course will be offered on Nordic memorials and memories: how the Nordic region thinks about and memorializes its fascinating past. Whether your interest is family history, art, language, the casual cafe life of cosmopolitan Copenhagen or the natural beauty of Iceland, don't miss out on this singular opportunity to experience Scandinavia first hand. Come enjoy your summer in Iceland, Denmark, and Norway on Study Abroad.
