## Professional Track Research and Analysis

### Allison Pond

Senior projects editor, *Deseret News*

THU | 19 OCT 2017

4:30 PM

238 HRCB

Allison Pond will provide an overview of her current position with the *Deseret News*. Pond will describe her career path, provide career advice, and discuss life lessons.

She is a senior projects editor for the *Deseret News* and previously worked for the Pew Research Center on national and international surveys, including studies of young people and religion, Mormons in the U.S., and evangelical leaders worldwide. Pond received a BA in communications, with an emphasis in print journalism, from Brigham Young University and a master's degree in public policy, with an emphasis in educational, family, and social policy, from Georgetown University.
