Ask Me Anything about Google,
life in the valley, and tech careers for
liberal arts majors.

Skye Herrick is a quantitative researcher in Google's Customer Experience Lab. Previously, Herrick worked in strategy and operations at Google. He received a BA with honors in international relations from Brigham Young University, where he was involved in numerous Kennedy Center offerings. Herrick currently lives in Palo Alto with his wife and two rambunctious sons and will be starting an MS in business analytics from Georgia Tech in August.
