LOGISTICS

Indicate plans for student housing.

Describe how group travel will be handled.

CHURCH RELATIONS

International study programs should integrate students with the local Church where possible but should never be a burden on local members or leaders. To ensure proper protocol for contact with local Church leaders, all such communication should be initiated by the ISP office. Describe how the proposed program will comply with this policy.

LOCAL IMPACT

BYU International study programs should not create local dependencies or otherwise negatively affect the local community. Indicate if this could be an issue with the proposed program and, if so, how it will be addressed.

CULTURAL SENSITIVITIES

Describe any significant cultural differences or norms that students will need to adapt to in order to be successful on this program. Explain how students will be trained to be successful in this area.

SAFETY AND SECURITY CONCERNS

Describe unique safety or security risks associated with this program. Explain how the risks will be addressed in the pre-program training. Explain how the risks will be monitored during the program.
