

# FASHION & DESIGN IN EUROPE

STUDY ABROAD SPRING 2023

Study and learn in Edinburgh, London, Paris, Florence, and Milan, the centers of fashion and design in Europe. We will experience the woolen mills of Edinburgh, the historic museums of London, and the haute couture houses of Paris, as well as the artisanship in Florence and Milan. London is a global city full of cultural experiences. It is known for its historic buildings, theaters, museums, and fashion districts. Paris, the showcase for fashion, is home to world famous apparel designers, textile markets, and architectural design. In Florence and Milan, we will visit world-renowned leather producers, Italian designer museums, and historic sculptures and paintings. Participants will visit such places as the Edinburgh Castle, Lochcarron Tartan Mill, Bath Fashion Museum, Victoria & Albert Museum, Savile Row, and many other places in Edinburgh and London. In Paris we plan to visit historic monuments, cathedrals, couture houses, and museums including the Palace of Versailles. In Italy we will be visiting the Accademia Gallery, the Armani/Silos Museum, and Lake Como, to name a few. These cities are also showcases for apparel fabrics, fashion accessories and interior design.
