

SIGMA: JOURNAL OF POLITICAL
AND INTERNATIONAL RELATIONS

LOOKING FOR PAPERS

Student authors will work directly with two editors to prepare their paper for publication.

- Publishing in Sigma is a great resume builder. Papers are published in a printed journal and an online academic journal database.
- The following types of articles related to Political Science, International Relations, or a related field are considered: qualitative research, quantitative research, capstone papers, policy briefs, book reviews, and experimental & survey research.
- If your paper is accepted, we will work with you throughout the semester to review and edit your paper thoroughly so that it is ready to be published.

Submit your paper at byusigmajournal@gmail.com.

Early Deadline: Sept 23, 2022
Final Deadline: Dec 23, 2022

Visit sigma.byu.edu or contact
