

PARIS

INTERNSHIPS 2023

The Department of French and Italian offers professional internships primarily in Paris for students with advanced French skills (typically, having had French 321). As Paris is one of the world's leading business and cultural centers, influencing politics, education, entertainment, media, fashion, science and the arts, an internship in City of Lights will enhance any resume. We do our best to place students according to individual goals and chosen fields: advertising, art, business, communications, computer science/IT, design, drama/theater, fashion, finance/banking, graphic design, healthcare, hotel/hospitality/tourism, journalism, marketing, and psychology.

Costs range approximately from \$2,500 in Spring term to \$4,000 in Fall/Winter semesters. Contact Daryl Lee for more information (801-422-9055 or dlee@byu.edu).

Students must meet all country- and program- specific COVID and health requirements for travel.

FUNDING SOURCES

Regular BYU tuition scholarships, Pell Grants, and Federal Insured Student Loans may be applied to study abroad programs. Students who submit the financial aid section of the ISP application and who have a current FAFSA form on file at the Financial Aid Office (A-41 ASB) will be considered for a study abroad scholarship and may be considered for other scholarships. Academic departments and colleges may assist with scholarships and grants. (The College of Humanities, for example, may have funds for minors and majors in any humanities program.) Private grants and scholarships outside of BYU may also assist (see kennedy.byu.edu/scholarships).
