

# BRUSSELS, GENEVA, AND VIENNA

## GLOBAL LEADERS IN EUROPE

### INTERNSHIP SPRING-SUMMER, FALL 2025, WINTER 2026

Aim higher! You can change the trajectory of your life by interning with global leaders of the European Union, the United Nations, the World Health Organization, and other international institutions. Brussels, Geneva, and Vienna are more than just beautiful European cities and cultural capitals. These cities also serve as Europe's power centers, housing not only the UN and the EU but also the many smaller public and private organizations that influence and interact with these huge international entities.

Internship dates vary according to the needs of the internship provider; internships will be no longer than 87 days.

#### **DATES**

Spring-Summer: 1 May–28 July 2025

Fall: 5 September–1 December 2025

Winter: 13 January–10 April 2026

#### **HOUSING**

Students will arrange for their own housing in or near the city where they will work. Some providers will help students search for appropriate housing. Students working in Geneva are encouraged to find housing in Ferney-Voltaire, France, or in one of the French cities accessible by Geneva's public transportation system. Some students working in Vienna may be eligible for home stays organized by the Austro-American Institute.

Students are required to participate in a prep course, IAS 369R, during the second block of the semester before they leave on the internship.

Accompanying spouses need to be credit-bearing participants on the program with a minimum of 1 credit, but they are not required to do an internship. Spouses will also need to apply online and take the preparation course but will not be required to pay additional fees for this course.

### **Students must meet all country- and program- specific COVID and health requirements for travel.**

International study programs are physically, emotionally, and mentally taxing and you must be in good health to participate. These programs often take place in international locations that do not have the same level of safety and services in terms of transportation, living conditions, residential accommodations, food, public behavior, and policing that you may be used to on campus. If you have further questions or concerns on this, please see <https://kennedy.byu.edu/isp-travel-policy>.

## **FUNDING SOURCES**

Regular BYU tuition scholarships, Pell Grants, and Federal Insured Student Loans may be applied to study abroad programs. Students who submit the financial aid section of the ISP application and who have a current FAFSA form on file at the Financial Aid Office (A-41 ASB) will be considered for a Study Abroad scholarship.

Academic departments and colleges may assist with scholarships and grants, so be sure to contact the department chair and dean's office.

Private grants and scholarships outside of BYU may also assist (see [kennedy.byu.edu/scholarships](https://kennedy.byu.edu/scholarships)).

## **APPLICATION PROCESS**

BYU welcomes students from any university to apply for participation on our study abroad programs. However, internships and direct enrollment programs are limited to BYU Provo students only.

Students must be 18 years of age or older.
