

2017 Hong Kong Conference

Teachers,

For over twenty years, we've been gathering in Hong Kong for a mid-year retreat. Once again we welcome you to one of the great cities of the world. From a breathtaking skyline to bustling markets to peaceful beaches, Hong Kong has it all (not to mention a hotel with clean sheets and hot water).

We want this conference to be an enjoyable experience for you. We've worked hard over the years to come up with a schedule that balances work and free time, that allows us to conduct necessary business while helping you recharge your batteries. I hope you feel like we've struck the right balance. As you prepare for the conference, please look through the other documents in this file: they contain an agenda, Amy's Top Ten list, and a series of other useful maps and associated information. Please print

and bring along any hard copies you'd like to have. Please also remember the following:

- The program will pay for your hotel Thursday, Friday, Saturday, and Sunday nights. The hotel will be happy to provide you the program discount for any other nights you'd like to stay at your own expense. Please make those arrangements directly with the hotel.
- The program will cover breakfast at the hotel on Friday, Saturday, and Sunday morning, as well as lunch on Friday. Other meals will be at your own expense. We'll be happy to direct you to inexpensive restaurants and grocery stores in the area.
- We will be going as a group to the temple on Friday morning and a local branch on Sunday morning. Please remember your recommend and your church clothes.

If you have any other questions, please let us know. We're excited to see you in a few weeks.
