

## **Black Alumni Society Scholarship Dinner**

The first annual Black Alumni Society Scholarship Dinner is open to all BAS supporters, including alumni, students, faculty, and allies (no BYU affiliation necessary). The event begins with a reception at 6:00 p.m., followed by a three-course seated dinner and a program. The program includes, among other things, remarks from the first group of BAS Scholarship recipients, a student performance, and a keynote address by Darius Gray. Attire is business or cocktail.

All net proceeds from the dinner will go toward funding BAS Scholarships. Please purchase your tickets as soon as possible to aid us in our planning. The last day to purchase tickets is Thursday, 14 February. Whether or not you can make it to the dinner, please consider donating to the BAS Scholarship Fund on the [“Tickets”](#) page ([or by clicking here](#)) to make a donation on our BYU scholarship page.
