

#KennedyTech

Join us on campus for our next #KennedyTech featuring **Blake Masters**, principal, Thiel Capital and president, Thiel Foundation. He helped to write **Zero to One** with PayPal founder and venture capitalist Peter Thiel, which has been described in [the Atlantic](#) as “possibly the best business book I’ve read” and in [Forbes](#) as a book that is “important for what it says about economic policy.” He graduated from Stanford with a Bachelor of Arts in Political Science and a Juris Doctorate (JD).
