

Law and Technology Business Start Up Competition

This competition runs as part of the Global Legal Hackathon. In just over twenty-four hours, ideas are formed and technology solutions are created to solve business of law and access to justice issues. Take an idea to a minimum viable product within twenty-four hours and then receive feedback from expert judges.

No coding experience required. Students from all majors are welcome to participate. You can join as a team or register individually and be put in a team at the event.

There will be catered meals throughout the entire event and prizes.
