

Nonprofit Internship Fair

The Nonprofit Management Student Association (NMSA) is hosting a nonprofit internship fair to give all of you big-hearted cougars an opportunity to meet employers that will help you change the world. The fair is a great opportunity to network and find an internship in the nonprofit sector. So mark your calendars! We can't wait to see you there. Text "Fair" to 808-400-3590 for more details or if you'd like to volunteer at the fair.
