

Roots: Episode 4

Wednesday, 14 February: 5:30 p.m.

Saturday, 17 February: 3:45 p.m.

Roots, an epic saga of the American experience, loosely follows author Alex Haley's family history from enslavement in colonial Africa, down to emancipation. It was the most watched TV series ever when it first premiered in 1977 and is an important representation of the history of race in America.
