

Siena Art Info Meeting

Professors Dan Barney, Brian Christensen, and Cassandra Barney will be hosting an information meeting about studying art in Siena this spring. All course options will focus on learning traditional techniques and processes within our contemporary world. We will be staying with Italian host families while in our base town of Siena, but we will also be traveling to Rome, Pompeii, Florence, and Venice, among other places to experience the rich history and culture of Italy.

Check out the program description and application process online at <http://kennedy.byu.edu/italy-3/>.

Got to kennedy.byu.edu/apply to apply before the deadline: SAT | 10 DEC.
