

Vignettes of Black Saints

The Education in Zion Gallery will help celebrate Black History Month with an FHE held in the gallery at 7:00, 7:30, and 8:00 p.m. The FHE will also feature Jane Manning James, Martha Stevens Perkins Howell, Samuel D. Chambers, and Mary Frances Sturlaugson. The gallery will exhibit *Continuing Conversations: Black Saints* in our conference room on the 3rd floor (voices of many contemporary Black Latter-day Saints, including sociology minor Melodie Jackson) and *Be Thou an Example* in the 2nd floor study alcove right outside the gallery.
