## Ross Terrill

Associate in research, Fairbank Center for East Asian Research, Harvard University

**Wednesday  
16 November  
NOON  
JSB Auditorium**

Ross Terrill authored the *New Chinese Empire*, which won the Los Angeles Times Book Prize, *Mao: A Biography*, and *China in our Time*, to name only a few. A regular visitor to China for over thirty years, his articles have been published in the *Atlantic Monthly*, *Foreign Affairs*, the *New Republic*, *National Geographic*, and other national magazines. He has appeared on CBS News, the *Today Show*, and *Nightline* as a special commentator, and he has testified before the U.S. Congress.

*"Terrill has extensive knowledge of Chinese history that he imparts with graceful style and in fascinating detail."*

—Lucian Pye, professor emeritus at MIT, *Foreign Affairs*
