His Excellency

David O'Sullivan

EU AMBASSADOR TO THE U.S.

What are the latest issues of concern to both the EU and the U.S.? Are they still on the same page as unified global actors? Learn about this continuing relationship and what is expected.

His Excellency David O'Sullivan was appointed as EU ambassador to the U.S. in 2014, having previously served as COO for the European External

Action Service. O'Sullivan also served as director general for trade and secretary general of the European Commission. He started his career in the Irish Foreign Ministry and spent four years in the Commission Delegation in Tokyo. O'Sullivan speaks English, French, Spanish, German, and Japanese and is married with two children.
