Ask Me Anything about career opportunities in international trade.

Troy C. Fuhriman is chief strategy officer and senior counselor to the chairman of the Export-Import Bank of the United States (EXIM), the official U.S. government export credit agency. In addition to EXIM, Fuhriman's previous experience includes teaching law at a flagship national university in South Korea; teaching law, economics, and business courses for universities in the U.S., Asia, and Europe, and serving as an attorney in the legal and compliance departments at Deutsche Bank's Wall Street offices.
