## INTERNSHIPS 2021

Enjoy a learning experience in Russia, a multiethnic country with a population of approximately 140 million, on a land mass that spans nine time zones. Moscow is the medieval and modern capital of Russia. This ancient city is the central place in the historical development of the Russian empire. Moscow is the center of the arts in Russia, and is home of the Bolshoi Theater. Students take courses at the Moscow Higher School of Social and Economic Sciences (MHSES).
