Ask Me Anything about putting your skills to use in the global HR market where people, culture, and business intersect.

Nancy Cadjan is the manager of member value delivery at Executive Networks, a global organization serving Fortune 500 and Fortune 100 HR Executives. Cadjan and her team build connections between executive peers around the globe in order to solve complex challenges and share best practices. She also works on their app and web platform development. Cadjan graduated with a BA in English and an MA in English and technical writing/rhetoric from BYU.
