Change your world view and CHANGE YOUR LIFE forever.

Set in Vienna, this program offers more than stunning art, world-class music, and beautiful narrow alleyways. It is also home to some of Europe’s most important business, education, and diplomatic institutions. This study abroad with optional work experience lets you explore both sides of Vienna and experience the best of both worlds!

You do not need to speak German to participate in this program, but it will be more meaningful if you have had at least one semester. The work experiences, if you choose one, are tailored to the interests and abilities of the student. Past students have worked in schools, art museums, and institutions for music. Some have worked in local or international businesses, and others have worked with refugee organizations and NGOs. What are your goals? Let’s see if Vienna can help you reach them.

You will be living with host families, learning German, studying history and culture, and gaining real-life job experience. In addition, we will take time off to enjoy the green Alpine valleys, the Baroque masterpieces of Salzburg, and the timeless beauty of Hallstatt. Then we will venture out beyond Austria's borders to visit Poland, the Czech Republic, and Germany. Vienna is a major European crossroad, and a thousand different adventures start in the heart of this city. Come explore with us in fall 2019. Married couples are also welcome.

FACULTY
Prof Brewer loves traveling, reading books and learning languages. She speaks exclusively German to her kids and all 11 of them are multilingual. She will be bringing 6 of her children (ages 8-16) and probably a couple nieces and nephews too. Plan on being part of one big family, hanging out at her apartment, and speaking German with her kids. Board games, anyone?
