## 2019 CHINA Town Hall

The Salt Lake Committee on Foreign Relations has been chosen to participate in this year's China Town Hall sponsored by the National Committee on U.S.-China Relations. The National Committee feels that today's political climate warrants community discussions on the Sino-American relationship and the issues that are having an impact on us, our businesses, our educational institutions, our communities, our states, and our country.

**George Stephanopoulos** will moderate this year's webcast discussion; he will be joined by NCUSCR President **Stephen Orlins**, **Melanie Hart**, **Yasheng Huang**, and **Ely Ratner**. You are encouraged to submit your own question to the panel by following the instructions on page 3 of this announcement.

In addition to The Salt Lake Committee on Foreign Relations, The National Committee on U.S China Relations is once again partnering with a wide range of institutions and community groups across the country, including colleges and universities, world affairs councils, and trade and business associations. Following the national webcast, the National Committee requests that we conduct a town hall-style discussion, with the goal of encouraging SLCFR members to talk candidly about their attitudes, concerns, and feelings surrounding the bilateral relationship. **Robert Griffiths**, U.S. Consulate General Shanghai 2011-2014 who ably moderated our 2016 CTH will be our local facilitator. China's rapid development and Sino-American relations have a direct impact on the lives of nearly everyone in the United States. CHINA Town Hall is a national conversation about China that provides Americans across the United States and beyond the opportunity to discuss issues in the relationship with leading experts.

3. Videos should be no more than 30 seconds long. Landscape orientation strongly preferred to portrait.
4. Upload your video to Twitter or Facebook no later than Monday, November 11.
