This panel will feature a former FSO who will discuss what it is like working in the Foreign Service, a student who interned in an American embassy abroad, and a student who has passed both the written and personal narrative tests and took the oral exam in January. The panelists will give key tips, advice, and perspective on their experiences and then open the rest of the time for questions.

EMBASSY

The image shows a stylized, dark grey silhouette of an embassy building facade. It features a white triangular pediment at the top with the word "EMBASSY" written in bold, black, sans-serif capital letters. Below the pediment are four vertical white columns. The building is set against a light blue background.
