

# Sister Style: The Politics of Appearance for Black Women Political Elites

How do the politics of appearance shape Black women's political ambitions, opportunities, and access to political office?

**Nadia E. Brown** is Associate Professor & University Faculty Scholar in Political Science, as well as faculty at the African American Studies and Research Center, at Purdue University. She is the author or co-author of numerous studies involving the intersection of race, gender, and politics in the United States, including the book *Sister Style*, on which this talk is based.
