Come learn about one of the biggest parts of the job: writing  
intelligence reports. All majors welcome.

Attendance at either or both sessions is welcome.

## Part 1

Learn how to write an intelligence report. How is it  
different from academic writing? What do policy makers need  
to know? What if you're not sure how to assess the situation?

## Part 2

WED | 3 MAR

6 PM

Practice the skills learned in Part 1 by writing a mock  
intelligence report. Collaborate with a team to produce a  
quality assessment. Dr. Carver will give feedback on each
