David Mecham is an intelligence officer with the 300th Military Intelligence Brigade in the Utah National Guard. David has worked for the U.S. Army for 14 years (2007 to present) as a human intelligence collector, counterintelligence special agent, Spanish translation team leader, language exploitation operations mission manager, and as an intelligence officer assigned to the Defense Intelligence Agency. He deployed to Iraq (2008), and twice to Afghanistan (2010 to 2011, 2015) where he worked in the intelligence field. David learned Spanish on his mission to Quito, Ecuador from 2001 to 2003. He has a BS in Psychology from Utah Valley University.
