

Every day, we work to build a diverse community of committed, thriving employees proud to work at Citi.

What progress will you make?

In fact, Citi operates on every continent. To be able to serve our diverse communities in the best way possible, we need to be just as diverse, which is why we welcome people from all walks of life including the military. We are honored to have so many service members in our ranks, where their unique skills and quality of character combined with our military-specific programs, support, networks, and training help them make an impact - and make progress. This is the right thing to do - for our clients, for the people who have served their countries so bravely, and for the business.

FRESHMAN DISCOVERY DIVERSITY PROGRAM - JUNE 2021

Freshman Discovery is an introductory experience focused on helping freshmen of diverse backgrounds understand the financial services industry, gain technical skills and kickoff the career planning process. The program is designed for Black, Hispanic and/or Women of all majors.

If selected, you will participate in a virtual week-long program in June. The program includes peer networking, case studies, business overviews, technical skills training and access to professionals and recruiters across the firm.

Ideal Candidate Qualifications:

- Self-identify as Black/African American, Hispanic/Latino and/or a Woman
- Freshman currently enrolled in a four-year baccalaureate degree program from a US accredited institution
- Have an expected graduation date between December 2023 - Spring 2024
- You are a U.S. citizen, U.S. permanent resident or possess other unrestricted U.S. work authorization and will not require sponsorship for U.S. work authorization now or anytime in the future.

Freshman Discovery is open to all disciplines and majors. Candidates are selected based on academic achievement, extracurricular activities, and leadership skills. In order to be considered, interested candidates must submit a resume and cover letter.

The cover letter (300 words maximum) should outline your interest in the program and/or why you should be selected to participate. **Please note, all applicants are expected to submit a resume and cover letter as one document to be considered.** Applications close May 24th, 2021 and all applicants will be reviewed after the application deadline.
